

First Game - **Bunny Hop Relay**

1. There will be a total of 8 players from each team on the pitch
2. 4 players from each team will stand in a line behind each allocated section of one side of the court. The other 4 will be standing opposite of them on the other side of the court.
3. On one side, a player from each team will start with a ball between their legs.
4. Participants will have to make it to the line on the other side with the ball between their legs.
5. Once the first person gets to the other side, they will pass the ball to the person on the front of the line on the other side.
6. The teammate who gets the ball will repeat the same act, but this time they are going to the starting side.
7. The goal is for each team to complete one whole rotation of players in the fastest time possible.
8. If at any point the ball falls out from in between their legs, that person will have to start from the beginning.

Second Game - **Pictionary**

1. There will be a total of 5 players from each team.
2. There will be a box with many pieces of folded paper
3. Each team will pick a person to pick a piece of paper from the box.
4. Each paper will contain images indicating an answer in one of 3 categories: Movies, Countries, or Brand
5. After one player gets the paper, the group will have to discuss and provide an answer within the allocated turn time.
6. There will be 15 seconds on the clock per turn. The participant has to answer within that period.
7. Participants will have 1 guess maximum.
8. The team which is able to guess all 5 turns correctly will complete the game.
9. Any guesses made after the allocated 15 seconds will not be counted.
10. In the case that multiple teams complete within the time span, the fastest time to finish will be proclaimed 1st place
